Information as of 06/30/2020

This fund is only available in the Retirement Protector Group Deferred Variable Annuity and the Personal Retirement Planner Qualified Variable Annuity.

Description:

The fund employs an indexing investment approach designed to track the performance of the CRSP US Small Cap Index, a broadly diversified index of stocks of small U.S. companies. The fund attempts to replicate the target index by investing all, or substantially all, of its assets in the stocks that make up the index, holding each stock in approximately the same proportion as its weighting in the index. This is an aggressive investment.
